Review Work
Given Monday- Due Friday

Time Management

	Math	Language	Geometry	History	Science	Geography	Other
Monday a.m.	Dot Game Addition						
p.m.						Parts of the Flag Booklet	
Tuesday a.m.		Introduction to Adjective					
p.m.				Introduction Clock of Eras			
Wednesday a.m.	Addition Strip Board w/ Booklet						
p.m.					First Knowledge Plants		
Thursday a.m.		Antonyms					
p.m.	Coaching	Cursive Instruction					
Friday a.m.			Three kinds of Triangles w/ Geometric Sticks				
p.m.					Reptile and Amphibian Charts		

	September	October	November
Math 1st Year	Review of bank game	Begin golden bead/stamp game operations	
2nd Year	Stamp game review	Review of operations/review of finger boards	All operations
3rd Year	Present checkerboard	Passages	Bead frames (small and large)/review
Geometry 1st Year	Intro plane inset cabinet	Work on plane inset cabinet	Work on plane inset cabinet
2nd Year	Work on plane inset cabinet	Work on plane inset cabinet	Command cards
3rd Year	Work on plane inset cabinet	Geometric command cards	
Geography 1st Year	Review puzzle maps/make and label maps	Pin maps	Countries, capitals, flags
2nd Year	Small maps/countries and capitals	Pin maps	Countries, capitals, flags
3rd Year	Pin maps	Countries, flags, parts of flags	Isolation maps
Language 1st Year	Building reading vocabulary Grammar: nouns	Grammar: nouns article	Grammar: adjectives Review noun, article, adjective
2nd Year	Grammar: verbs, adverbs, prepositions, conjunctions, pronouns	Review verbs, adverbs	Review prepositions, conjunctions, pronouns
3rd Year	Review all grammar	Begin sentence analysis	Extend sentence analysis
History 1st Year	Time line: random, unit, day	“Life and It’s Beginnings”	The clock
2nd Year	Time line: diaries	Time line: child’s work	Fundamental tenses
3rd Year	Time line: child’s work Chart of interdependency	Family graphs/personal time line	Fundamental tenses Language black lines
Botany 1st Year	Experience of tending plants	Parts of a plant	Book/ nomenclatures
2nd Year	First knowledge: plants		First classification of plants
3rd Year	First classification	First knowledge	Questions
Zoology 1st Year		Make amphibian and fish charts	Mammal chart
2nd Year	First knowledge: individual animals	Make amphibian and fish books	Mammal chart
3rd Year	First classification	Vital functions: general	Body functions of five classifications

	December	January	February
Math 1st Year	Continue hierarchical operations	Begin memorization work	
2nd Year	Small bead frame	Addition and subtraction/exchanging	Checkerboard/first presentation
3rd Year	Checkerboard/all passages	Large bead frame	1,2,3 digit multiplication
Geometry 1st Year	Definition of triangles/sticks	Construction of triangles	
2nd Year	Definition of triangles/sticks	Construction of triangles	Pinwheels
3rd Year	Detective triangle	Straight and curved lines	Lines, rays, and line segments
Geography 1st Year	Isolation maps: gulfs, rivers, islands, bays		Parts of flag: word and sentence level
2ndYear	Isolation maps and water forms	Study of flags	
3rd Year	Functional geography: study of maps	Study of culture: Roman, Greek, Ancient	Vertical and horizontal
Language 1st Year	Grammar: adjectives	Grammar: verbs	Grammar: prepositions
2nd Year	Continued review of symbols	Sentence analysis: predicate, subject, direct objects	
3rd Year	Extended sentence analysis		
History 1st Year	Fundamental tenses	Long black lines	Vertical studies
2nd Year	Long black lines	Clock of eras	History of light timeline
3rd Year	Clock of eras	Life in earth	
Botany 1st Year	First knowledge: plant kingdom	First classification of plant kingdom	
2nd Year	Plant kingdom	Questions	
3rd Year	Experiments	The world of plants	Extended research
Zoology 1st Year	Reptile and amphibian charts	Vital functions: word level	
2nd Year	Reptile and amphibian books	Vital functions: word and sentence level	
3rd Year	Classes of vertebrates	First knowledge of animal kingdom/research	

	March	April	May
Math 1st Year	Fractional insets	Writing fractions	

2nd Year	Passages	Bank game: elementary	Fractions: addition and subtraction
3rd Year	Bank game: elementary	Sequence of racks and tubes	Factors and multipliers
Geometry 1st Year	Straight and curved lines	Angles and measurements	
2nd Year	Angles and measurements	Angles and operations	
3rd Year			
Geography 1st Year	Study of flags/land forms	The sun and the earth	Different ways of combining
2nd Year	The sun and the earth	Different ways of combining	
3rd Year	Composition of the earth	Formation of mountains and faults	
Language 1st Year	Grammar: adverb	Noun work	Grammar: conjunction and interjection
2nd Year	Dictionary skills	Alphabetizing	
3rd Year	Word study: homonyms, synonyms, antonyms	Compound words, possessives, alphabetizing	
History 1st Year	Clock of eras	Fundamental needs	
2nd Year	Fundamental needs of man	Vertical studies	
3rd Year	Horizontal studies/ research	Interdependency of people in society	
Botany 1st Year	The work of plants	The work of plants	The work of plants
2nd Year	The work of plants	Begin research	Research
3rd Year	The work of plants	Begin research	Research
Zoology 1st Year	First knowledge: animal kingdom	First classification: animal kingdom	
2nd Year	First knowledge: animal kingdom	Future research	Future research
3rd Year	First knowledge: animal kingdom	Future research	Future research
